02/12/2010	<u>58</u>	MOTION for Extension of Time to File Reply to <u>42</u> Response to Motion, by Imelda Trevino-Garcia titled "Response". Motions referred to Judge Pamela A. Mathy. (ga) (Entered: 02/12/2010)
02/17/2010		In this pleading, by its last sentence, plaintiff is "asking for an extension to submit my reply," that is, is asking the Court to extend the time for her to file a reply to certain responses of defendant to certain of her motions until February 23, 2010. Reply briefs are discretionary documents and, pursuant to the Local Civil Rules of this Court, the Court need not wait for a reply before ruling. Before plaintiff filed her request for more time, on February 12, 2010 the Court had entered a ruling on the motions at issue (see docket no. 57). Based on its review of the record on the motions at issue, the Court does not see a proper ground in which to modify an aspect of its earlier ruling. Plaintiff also includes an additional request in this submission. By the caption of the motion, plaintiff appears to be indicating that she is asking for more time to file a response to defendant's motion for an order to appear and to quash plaintiff's deposition notice. As reflected by the record, on February 2, 2010, the Court ordered plaintiff to file any response to the two motions on or before February 11, 2010 (see docket no. 44). Thus, plaintiff's request for more time was filed after the expiration of the applicable deadline and is untimely. Further, defendant withdrew its motion for an order to appear on February 5, 2010. Therefore, plaintiff has no need for more time to file a response or further response to that specific motion. In addition, the two defense motions were addressed by the Court in the February 12, 2010 Order (docket no. 57), after plaintiff's time to file a timely response had expired. Again, plaintiff has stated no basis to reconsider the rulings in that Order. Accordingly, plaintiff's request for more time is denied. On February 2, 2010, Magistrate Judge Mathy issued a Report and Recommendation (docket no. 43) recommending that Plaintiff's motion to dismiss be denied. 04/07/2010	<u>74</u>	ORDER that Plaintiff's motion to reinstate her ADA and ADEA claims, as contained in docket no. 53 is DENIED. It is unclear whether Plaintiff is moving the Court to allow her to amend to add a new claim for relief under Title VI. To the extent Plaintiff is seeking to amend her complaint to add a claim under Title VI, that is denied, as the Court will not permit Plaintiff to add a new cause of action at this late time and in any event, Plaintiff fails to state a claim under Title VI. Plaintiff's motion to amend her complaint to include a claim under the Equal Pay Act is denied, since she fails to present the Court with any necessary factual allegations to support such a claim. Thus, at this time, the Court concludes that Plaintiff has only one remaining claim pending against Defendant: a claim under Title VII for national origin discrimination. Plaintiff is instructed to clarify her intent with regard to her Rehabilitation Act claim by informing the Court in writing, no later than April 21, 2010, whether she does or does not intent to pursue this claim. This case is no longer stayed, and shall proceed in accordance with this Court's recent orders.. Signed by Judge Xavier Rodriguez. (ac,) (Entered: 04/07/2010)
